

**Adult Learners
Graduated & Non-Graduated**

Education for Adults

Navigate education is free to non-graduated adults working toward their high school graduation requirements. Graduated adults can also access specific tuition free courses to continue their education, improve grades in particular subject areas, or complete the prerequisites for a post secondary program. Other Navigate courses are available to graduated adults on a non-refundable tuition fee basis of \$450 per course, payable upon registration.

- 🗨️ Enroll at any time throughout the year
- 🗨️ Work at your own pace
- 🗨️ Have supported instruction
- 🗨️ Flexible schedule

Education can open doors to a lifetime of opportunities. Navigate lets you learn in the privacy of your own home, at your own pace, and at your own schedule. Whether you want to enroll for a single course or finish several grades, we can help.

Learning Connections

Navigate connects students with the resources they need to meet their goals. You can complete your high school diploma without having to physically attend a high school classroom. Our counsellors can help you decide which courses you need to complete in order to meet the BC graduation requirements.

Navigate also offers graduated adults the opportunity to upgrade their high school marks or earn pre-requisite credits for university or college programs. If you've already graduated, visit our website for a complete list and description of free adult education courses available. Tuition based courses are also available, including international languages.

Contact one of our counsellors to talk about which courses are right for you.

Adult Learners Graduated & Non-Graduated

Learning Designed Around Student Needs

The new BC curriculum is supported by BC certified teachers, and Navigate provides a personalized learning plan for all adult learners. You can learn at your own pace from any location. All you need to start is access to a computer with an internet connection. You can enroll as a part time or full time student to take a full range of academic courses as well as interesting elective options.

If you are taking a course as a prerequisite for a post secondary program, please ensure that you have the right course information before enrolling.

Why Navigate?

Navigate has been recognized both nationally and internationally as a leader in blended learning, building flexible learning plans that work for each student. We are proud to have been awarded the prestigious 2016 Canadian Innovators in Education Award from the Canadian Education Association (CEA) and Readers Digest magazine, and the iNACOL (International Association for K-12 Online Learning) award for Innovative Blended and Online Learning in 2014. Our goal is to inspire learning that is meaningful at every stage of personal development. We have decades of experience, a history of success, and a strong team of dedicated professionals.

Accessible Learning

Navigate is a fully funded public education option that is strongly resourced, highly personalized, and free to all BC residents who are working toward completing requirements for their BC Dogwood diploma. You can learn from any place, and at any pace! Enrollment is welcomed from all BC school districts throughout the calendar year. Print materials that support the curriculum and tech support are provided at no charge to non-graduated adult learners working toward graduation requirements and specific courses for graduated adults.

Get started today!

Navigate is a highly acclaimed and increasingly popular alternative to traditional classrooms. Our award winning school offers BC families an alternative to stressful commuting schedules, social anxiety, and a one size fits all learning approach.

Visit NavigateNides.com to select your program of choice and fill out the online enrollment form.
